○ **TEEN NIGHT IDEAS**

We discussed different ideas on how to get teens interested in different activities and events. Tom Bancroft brought up teen dances at the High School. The board discussed policing the event and chaperons. No final decision was made upon the teen dances. Matt brought up several ideas on how to use our park system in a positive way, such as volleyball tournament and movie nights. The volleyball tournament has some positive and negative feedbacks, as regards to ages and such. Pat suggested a Creek Sweep. Where we ask non-profit groups, people looking for community service to come in and clean up our parks system. The board all seemed to agree that this would be a great event. We decided to wait until next fall to set a date. Matt and Pat had a great idea about asking the environmental club at the High School to help with this event. Some other ideas were an X games at the skate park. We would invite vendors, sponsors and music entertainers to the skate park to raise money. This idea led into the topic of the skate park closing. By the end of the meeting we were discussing the Community Yard Sale.
