The meeting was called to order by Planning Commission Chairman Richard Hendricks. He led the Commission in the Pledge of Allegiance to the Flag.

Also in attendance were David Sebastian and Matthew Walters of the Bucks County Planning Commission.

David Sebastian handed out information to all who attended the meeting. Mr. Sebastian explained that the community meeting would have three stations. Each station would be set up with large maps and each resident would be given either push pins or stickers for residents to post on the map to show what they would most and least likely want to see more of in the Borough. Mr. Sebastian explained that there would be a survey sent to each business and resident in the Borough and the information received within the survey and the input at the community meeting would be calculated to see what residents would prefer to see more of in the Borough.

There were some comments from the Commission and some members of the audience that Mr. Sebastian stated would be included in the survey.

Mr. Sebastian stated that he would be in contact with Mr. Olpere to set up the meeting date and place and have the final draft sent to him.
