

If you will be disturbing 1,000 square feet of earth or more during this project, please read this...

The Bucks County Conservation District is the Pennsylvania DEP's delegate for the administration of the Erosion Control Program in Bucks County.

Earth disturbances of 1,000 square feet or more require a plan submission to the Conservation District (2,000 square feet for swimming pools).

Contact the Bucks County Conservation District early in the application process at 215-345-7577 if you meet the above criteria. Thank you.

Applications are available at Perkasio Borough Hall. Approval takes 10 to 30 days and the cost is \$100. There is an application for an expedited review, which costs an additional \$100 and will guarantee a 5 day review time after it is approved for expedition.
