

## MEMORIAL FLAG PROJECT – INFORMATION

For many years, the Borough of Perkasie has installed small American flags on the decorative street light poles around town. The Borough Council has decided to move forward with a commemorative program that will allow the Borough to install much larger flags. Supporters are invited to consider “purchasing” a flag and a plaque that will then be installed on a street lamp pole in the Borough with a custom commemorative plaque.

Each memorial flag set purchased will consist of a 2 ½ foot x 4 foot American flag, a spinner pole with gold top, and an engraved memorial plaque (4 in. X 6 in.). The flag, bracket, and plaque will be installed by Borough employees.

The plaque will be custom engraved as requested by the purchaser. Engraving is limited to 20 characters per line, with a maximum of four lines.
