

Perkasie Community Garden

5th St & Shadywood Drive

Notes:

- *Plots 8-42 are available - Plot 42 gets very saturated
- *Plots are 12'x12'
- * Walkways (in gray) are 28" wide surrounding all plots. Walkways are laid with wood chips before each season and each renter must maintain the walkway around their plot
- * Growing season is mid-May through October
- *Renters have the first week of November to clean up and remove all materials for their plots
- * Water is located at the red star
