2025 Sponsorship Opportunities

# Become a Park & Rec Partner!

The Borough of Perkasio Parks and Recreation Department hosts a number of programs and special events that bring our community together. Through these programs and events, we strive to make a positive impact on people of all ages and create a sense of community for our residents and their family.

These programs and events would not be possible without the support and donations of our local businesses and organizations. We invite you to help us enhance our community recreation. In return, we seek to provide a valuable return on your business exposure and advertising which includes printed publications, social media, direct communication with hundreds of community members that attend our programs, and some events have sponsor table space available.

The Borough of Perkasio Parks and Recreation Department appreciates your support and consideration.
